Dream It, Believe It, Achieve It

By Eniya Akash M Cloud Acadamy

A Journey from Imagination to Reality

"A dream is not what you see when you sleep. A dream is what keeps you awake." – Dr. A.P.J. Abdul Kalam

Achievement:

 Dreamed of India as a space nation → ISRO missions

Why This Topic?

- Success always starts with a dream.
- Belief gives strength to move forward.
 - Achievement is the reward of action.

Motivation: Anyone can follow this 3-step formula

dream it

- Dreams give direction & purpose.
- They fuel imagination.

"If your dream doesn't scare you, it's not big enough."

BELIEVE IT

- Belief is the bridge between dream and reality.
- Self-belief helps overcome failure.

Achievement: Thomas Edison → 1,000+ failures → Light bulb.

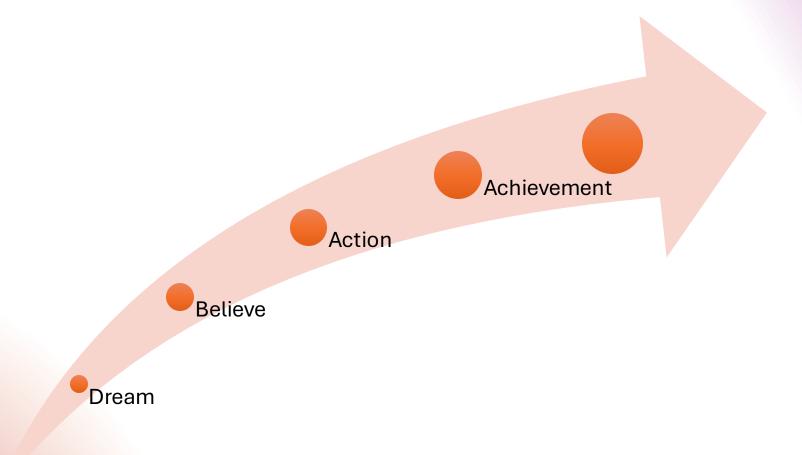

"When you believe in yourself, you become unstoppable."

ACHIEVE IT 🔀

- Action + patience = success.
- Achievement requires consistency.

• "Dreams don't work unless you do."

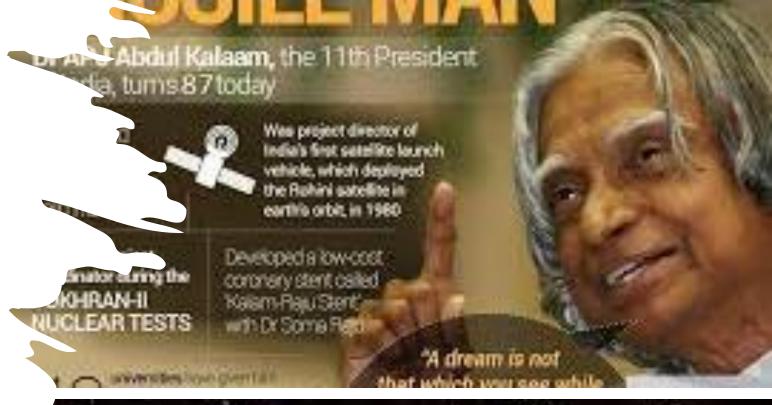

Dream + Believe + Action = Achievement

Real-Life Inspirations 💮

 Dr. A.P.J. Abdul Kalam → From a small town to President of India.

Elon Musk → SpaceX (Dream of Mars).

YOUR TURN! 💝

What's your dream?

• Do you believe in it?

 What step will you take today to achieve it?

NOW, ITS YOUR TURN

• Ask them to write one dream + one action step.

"Dream big. Believe stronger. Work harder. Achieve greater."
